Contract: Services are left on between renters. If they are turned off, I will be responsible to pay the reconnect fee to turn them back on. I agree to pay for all the bills that are incurred. For and in consideration of the furnishing of utility service, the undersigned agrees to pay, as statements are rendered, charges for such service. The undersigned further agrees to pay collection costs and/or attorney fees regarding delinquent charges for such services. The undersigned further agrees to at all times be governed by the rules and regulations of the said city not in effect or such rules and regulations as may from time to time be enacted by said city.
