

# THE FOURTH OF JULY

Kaysville & Fruit Heights Cities are excited and proud to celebrate the 4th of July this year with one of our community's most anticipated events of the year! This year, a few changes have been made to accommodate the evolving logistics. We hope to see you and your families Saturday morning; please reach out to Chad Call, the Parade Director, if you have any questions. ([chadcall@me.com](mailto:chadcall@me.com))

**SATURDAY, JULY 3rd, 2021 - 10:00 AM STEP OFF**

Due to the drought and ongoing concern for participants' safety, there will not be a water section of the parade this year. All spectators should be respectful of one another, clean up after themselves, and stay behind the green spectator line of the parade route.
