

# THE FOURTH OF JULY

Kaysville & Fruit Heights Cities are excited and proud to celebrate the 4th of July this year with one of our community's most anticipated events of the year! We hope to see you and your families Monday morning; please reach out to Chad Call, the Parade Director, if you have any questions. (chadcall@me.com)

## MONDAY, JULY 4th, 2022 - 10:00 AM STEP OFF

Road closure begins at 9:15 AM and effects all red and yellow marked roads

Due to the ongoing drought and concern for participants' safety, there will not be a water section of the parade. We ask all spectators to be respectful of one another, clean up after themselves, and stay behind the green spectator line of the parade route. We look forward to seeing you all on parade day!
