Wood Scraps

- This container must be used for acceptable recyclable materials. Recyclables can be co-mingled or mixed together in one container.
- Please have your cans out to the curb by 6:00 am or the night before. Remember, routes change from time to time and your container(s) may be some of the first collected that day. By combining recycling collection with the collection of regular garbage pickup, times may be altered.
- The container has an inventory number which is assigned to each household. Customers are responsible for the containers delivered to their address. The container must remain on your property and be properly cared for. If containers are lost or stolen the homeowner will be charged for a replacement container.
- Just like regular garbage pickup, there is no pickup of recyclables on July 4, Memorial Day, Labor Day, Thanksgiving, Christmas, or New Year's Day. If your pickup day falls on one of these holidays, it will be picked up the next day. For those collected on the remaining days of a holiday week, please place your container out on the regular day, then be patient. Garbage collection will be back on schedule as soon as possible.
- Additional recycling containers are available for an additional $5.00 per month per container and must be kept at least 12 months.
