National Wreaths Across America Day

Sponsor a wreath today and honor one of the 1350 American Veterans laid to rest at Kaysville City Cemetery. Your sponsorship will cover the cost of making a hand-crafted all-American balsam wreath, hand-tied with red velvet bows that will be placed on graves at this cemetery. Not only will your sponsorship demonstrate your gratitude for the sacrifice made by our Veterans, but a portion of each wreath sponsorship will be donated to Blue Star Families of Utah to support the families of those currently serving right here in our community. *All sponsorships are 100% tax deductible.*

Have a Veteran laid to rest at Kaysville City Cemetery? Grave-specific sponsorships are available. A wreath will be reserved to be laid by a volunteer, or held for your family to join us to lay the wreath, on your Veteran's grave. *Scan the QR code to the right or visit the link below to go directly to our sponsorship page.*
