## Parks and Recreation Sport Scholarship Opportunities

The Kaysville Parks & Recreation Youth Scholarship program provides youth in our community access to recreation sport programs for families who may not otherwise be able to afford them. These scholarships provide youth exposure to positive experiences and active lifestyles. Through our sport programs, children are provided the opportunity to gain and refine life skills, and to develop positive personal and social assets.

To apply for a scholarship, please stop by the Parks & Recreation office to pick up a scholarship application. To view scholarship guidelines or to pre-print application visit [Kaysville.gov](http://Kaysville.gov) and search scholarship. You may complete it online or print a pdf.

Scholarship Review Process

1. Applicant must complete registration and turn in requested verification forms.

  - Reduced if yearly and monthly income is within the guideline chart based on household size. Reduced participant must pay the uniform fee for each sport. If multiple children from a family are participating, each family member must pay a uniform fee.

**APPLICATION PROCESS FOR FREE OR REDUCED RECREATION ACTIVITIES:** Our recreation offices will determine your total household size and check the income level chart included with the application form. The chart indicates the guidelines for the maximum amount to qualify for REDUCED fees. You will be notified by phone or email when the application is approved or denied; therefore, it is very important to have a correct phone number and a complete and correct email address.
